Special Conditions:

Specified Hours for Caesarean Section / and All Deliveries	Add an extra \$30,000 surcharge for Caesarean Section / and All Deliveries performed at time (Sun to Fri: 8:00 am - 10:00 pm) specified by patient.
Prenatal check-up	Add an extra \$40,000 for patients do not have mandatory antenatal lab test done in Hong Kong (Blood Group, Rhesus Factor, CBC, VDRL, HbsAg, HIV and Rubella titre)
Multiple Pregnancies	30% surcharge of the package for each additional baby

Important notes:

- Advanced booking is necessary and those without bookings will not be admitted. However, it still depends on the bed availability of the day. When upgrading of bed is necessary, the whole package will be upgraded.
- Prices include all items listed in the package catalogue only.
- Extra charges may be incurred if you or your baby have complications beyond an Emergency Cesarean Section or require items which are not noted in the package catalogue.
- Epidural / Spinal Anesthesia fee includes Hospital procedural charge, all instruments, sterile supplies, monitoring and all initial drugs.
- Doctor's fee are independent of the hospital and are not included in any of the above prices.
- According to the new government policy, Mainland mothers-to-be should get the Confirmation Certificate on Maternity Booking before admission through their Hong Kong obstetrics doctors. A deposit fee of HK\$40,000 is required and is non refundable for patients who do not attend Hong Kong Adventist Hospital for their confinement.
- For further information about this service, please contact Obstetrics Unit at (852) 2835-0523, fax (852) 2574-6057 or email hkahinfo@hkah.org.hk.
- Whilst changes in prices are expected, increase may be added without prior notice, therefore it is advisable to check prices before admission.
