

新生嬰兒為宇宙創造之奇蹟，
是人生一段奇妙的經歷。注視
著嬰兒的一雙小手想像著它的
未來會是多麼地不可思議。手
輕搔著的這些小腳趾頭，思潮進

入將來有一天它們能克服萬難，登上最高峰，
獲得輝煌成就。何其大的潛質已深深蘊藏在正
搖搖您手臂中的奇蹟啊！

港安醫院健康嬰兒門診

在您孩子發展過程的這個重要階段，本院有一組經驗豐富的專門人士願協助您。

提供之服務

- 由兒科醫師所做的定期健康檢查。
- 心智發展評估。
- 全部的例行疫苗接種。
- 醫院與父母親雙方各擁有一份詳細的記錄。
- 在嬰兒十二至十八個月大時，會接受一次本院牙科醫師給予之牙齒檢查。

附加之服務

如有必要時，我們護理組的兒科醫師會推薦並委託一位合適的專科醫師為您嬰兒會診及進行治療。

無論何時您的孩子需要住院治療，本院的基層小兒科病房，也有一組經驗非常豐富的兒科護士效力。當嬰兒護理組知道您孩子住進醫院，不論有專科或其他醫院的醫師診治時也皆會盡量協助。

加上您嬰兒有現成的病歷可依據，以確保其享有繼續不斷地悉心照顧。

在任何需要的護理情況，我們都有以下各種設施作為後盾，足可令您安心、信賴。

- 最新進的檢驗室設備
- 藥房
- 放射科
- 小兒科病房
- 二十四小時全日意外急診服務
- 頗具規模，隨時以備的深切治療部／心臟護理部

在極少有的情況才會用到這些設備，單憑本院醫護人員經常處理諸如成人及孩童們的心臟手術來看，您大可放心，您的小寶貝定能獲得妥善的照顧。在此特向父母親們保證，也要讓你們知道我們是有足夠的設備以及多方面的經驗，臨到危急緊要關頭，必定能夠勝任。

健康嬰兒全套優惠
Well Baby
health & development package

A new baby is a miracle of creation, a wonderful experience. How incredible to look at a baby's tiny hands and imagine its future. Tickle those tiny toes. They can someday conquer mountains of obstacles and attain

summits of greatness. What potential has been wrapped up in the miracle you cradle in your arms!

The Adventist Hospital Well Baby Health and Development Clinic

At the Adventist Hospital we have a dedicated team of experienced personnel to assist you at this important stage in your child's development.

Services Provided

- Regular health check by paediatrician.
- Full developmental assessments.
- All routine vaccinations.
- Detailed records held both by the hospital and parents.
- One dental check and advice by our Dentist between 12-18 months

Additional Services

If it is necessary our infant care team paediatrician can suggest referrals to appropriate specialists for consultations and treatment.

Also based at the Adventist hospital is our Paediatric unit which has a very experienced team of Paediatric nurses should your child ever require hospitalization. The infant care team who know your child will be informed when your child is admitted and can consult with other hospital staff and specialists. Continuity of care will also be maintained by the availability of medical records already established for your child.

On site for your convenience and reassurance we have all the essential resources available should the need arise:

- Sophisticated laboratory facilities
- Pharmacy
- Radiology
- Paediatric unit
- 24-hour urgent care service
- Superbly equipped intensive care unit

In the rare event that you should ever need this facility be reassured that your little one would be in good hands as the staff here deal frequently with such cases as open heart surgery for both adults and children. It is reassuring for parents to know that we do have the facilities and extensive experience and can be relied upon in a crisis.
