

給即將為人父母的您

作為一個醫療保健的機構，香港安醫院致力提供最佳、最高質素的服務，一切以安全、友善及舒適的環境為依歸。迎接新生命的誕生應該令人感到歡欣及永誌難忘。但如未清楚實際支出亦可能感到顧慮。為幫助準父母們能掌握在港安醫院分娩的預計費用，我們特別推出以下各項「分娩計劃」。

- 三天自然分娩
- 五天預訂剖腹分娩
- 五天緊急剖腹分娩

我們慎重地將此項產科套式計劃盡可能廣泛地照顧到每一項細節。如有額外需要，亦可在本院購買。產婦亦可自備，任隨尊便。

大部分產婦的支出都會在套式計劃預算之內，惟遇上罕有或不尋常併發症出現時，相應的附加費用是會有所增添。

更請注意醫生費是不包括在上列任何套式計劃內。由於所有醫生均屬私人執業，其個別收費標準乃屬本院的行政管理範圍之外，因此，我們建議病人自行與主診醫生直接商議有關事宜。

育嬰護理

三天自然分娩及五天剖腹分娩套式計劃除包括生產時的一切費用外，亦包括全面的育嬰護理。產婦可自行選擇照料新生嬰兒或交由本院富經驗的護理人員照顧。

膳食

各項套式計劃均包括三天或五天的住院費用及每日早、午、晚三餐。由本院提供的中、西美食，更可隨意選擇素食。

遇有不尋常的併發症時

當新生嬰兒出生後，遇有不尋常的症狀發生時，本院的醫護人員定會悉心照料。如需要動用輔助儀器，所應用的儀器會根據收費表收取費用。

本院與各政府醫院關係良好，如有特別需要轉送嬰兒往政府醫院，我們當樂意協助安排。

Obstetric Package 產科全套優惠

Dear Prospective Parents

As a health care provider committed to excellence and the provision of the highest quality care possible in a safe, friendly and pleasant environment, we are aware that some of our patients worry about the uncertainty of the total cost of having their baby, at a time when they should be enjoying some of the most memorable and wonderful moments of their lives.

To help provide our prospective parents with a more accurate estimate of the total cost of having their baby at the Hong Kong Adventist Hospital, we have designed the following packages:

- 3-Day Normal Vaginal Delivery
- 5-Day Elective (Pre booked) Cesarean Section
- 5-Day Emergency Cesarean Section

We have taken great care to make our Hospital Obstetric Package as comprehensive as possible. In the event that extra items are required they may be purchased from the hospital, or if you wish, patients may provide their own.

In the rare event of a complication arising, additional fees will be added as appropriate.

Please note that the Doctors' fees are not included in any of the prices listed in this package. We recommend that patients discuss the Doctor's fee with their own Doctor as all Doctors are private practitioners practising independently of the hospital and its administration.

Nursery Care

The 3-day Vaginal Delivery and the 5-day Cesarean Section packages not only include all the expected charges you are likely to incur at delivery, they also include full Nursery care for your baby. At the Adventist Hospital we offer our patients the choice of having their baby rooming-in with them or being looked after in our Nursery by our nursing staff.

Meals

The package also includes your hospital room for 3 to 5 days (as appropriate) and three main meals each day, which may be selected from our menu of Chinese and Western cuisine, with a choice of vegetarian fare.

In the rare events of complications

Naturally, in the rare event of a complication arising with your baby in the critical period following birth, no extra charge will be incurred for the specialised nursing care provided in the nursery. However, if specialised equipment is necessary then a fee will be charged.

If a baby needs to be transferred to a Government hospital for whatever reason, we can easily arrange this as we enjoy an excellent relationship with our Government colleagues.

Please note that the following are not included:

- Extra emergency services or surgery beyond an emergency Cesarean Section.
