(6)

"Attending Doctor"

The figures, listed under "Attending Doctor", are derived from statistics of attending doctor's historical discharge bills.

Click <Historical Report> to view the attending doctor's historical discharge bills.

"Package"

The figures, listed under "Package", are fees of hospital's service packages.

Click <Leaflet> to view the patient's leaflet.

Note. Package is developed basing on agreed care plan, agreed drug usage and specified length of stay.

"All Doctor"

The figures, listed under "All Doctor", are hospital's proposed range of fees derived from all doctors' discharge bills.

Note. Figures listed will be reviewed and improved annually

- (7) Input estimated fee into "Quotation" section

Hong Kong Adventist Hospital - Stubbs Road

- a. Click <Select> to copy the preferred 'range of fees' from either "Attending Doctor", "Package" or "All Doctor" column.
 - b. You may make further changes to the range of fees copied onto "Quotation" column.
 - c. If doctor prefers to quote by range, please fill in the range of fees (i.e. two values).
 - d. If doctor prefers to quote a fixed price, please fill in one value (i.e. an amount on the left box).
- (8) Please refer to "Historical Report" for the attending doctor fees history.
- (9) Please refer to "Leaflet" for the package leaflet
- (10) Click <Financial Estimation> to generate Forms A and B in PDF.
Click "Open" to open the Form A and Form B file (in PDF format).
Click "Save" to save the PDF on local computer and in the PDF file click "Print" to print out Forms A & B.

Within hospital campus. One set of signed Form A and B is to be filed onto the patient chart, while the other set of signed Form A and B is for patient to present to hospital's Patient Business Office (PBO) during admission.
