

## **Guidelines for Robotic Surgery Privilege**

### ***I. Certificate(s)***

1. da Vinci<sup>®</sup> Surgical System online training module.
2. da Vinci<sup>®</sup> Surgical System offsite training as a console surgeon.
3. da Vinci Si<sup>®</sup> Surgical System online training module recognized by Hong Kong Adventist Hospital – Stubbs Road and Intuitive Surgical<sup>®</sup> Inc.

### ***II. Demonstrate capability in performance of procedures / surgeries***

For request for specific clinical privileges to be considered, applicant must have performed six or more procedures / surgeries as a console surgeon.

If the applying physician has performed less than five cases as a console surgeon, a second surgeon of equal ability is to be pre-arranged by the primary surgeon to accompany or mentor the primary surgeon. The mentor surgeon must be an independent console surgeon with over 25 cases.
