In-Service

7/22/2022

Mary-Catherine Dillon

Director, Medical Education

This certifies your attendance at Stryker's training program. This program is not a CME training course and does not qualify for CME credit. The FDA has stated that it is the responsibility of the physician to determine the FDA status of each drug or device he or she wishes to use in clinical practice, and to use the products with appropriate patient consent and in compliance with applicable law. Some drugs and medical devices demonstrated in Stryker's training courses have FDA clearance for use for specific purposes or for use only in restricted settings. A surgeon must always refer to the package insert, product label and/or instructions for use before using any of Stryker's products. A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient.

Stryker Corporation or its divisions or other corporate affiliated entities own, use or have applied for the following trademarks or service marks: Mako, Horner Stryker Center, Stryker. All other trademarks of their respective owners or holders.
