Terms and Conditions 注意事項:

1. Hong Kong Adventist Hospital – Stubbs Road ("The Hospital") provides Overseas Study & Work Visa Health Check Packages and designated Tuberculosis (TB) Screening services in accordance with the health requirement guidelines of relevant foreign immigration authorities or educational institutions.
2. The service hours for Overseas Study & Work Visa Health Check Package are from 09:00 – 13:00 and 14:00 – 17:00, Monday to Friday (excluding public holidays).
3. Please bring the following items for registration on the day of your appointment:
   - Valid original identification document (e.g., passport or Hong Kong identity card)
   - 1 passport-sized photo taken within the past 3 months (if required by destination country)
   - For applicants under 17 years old: original birth certificate and identification documents of parents/legal guardians
   - Previous medical records, chest X-ray films/reports, or vaccination records (if applicable)

   The above requirements are subject to the latest changes and announcements by the Hospital.
4. The listed price fees for the screening includes:
   - Consultation by HKAH-SR designated Family Medicine Specialist / General Practitioner (1 time)
   - TB Certificate (if applicable)

   Please note additional charges will apply for:
   - Any additional testing and/or treatment
   - Reissuance of the certificate due to incorrect or amendment of information (Fee: HK$450)
5. TB Screening / Sputum Tests: If Sputum testing or culture is required by clinical indication or country regulations, collection involves samples taken over 3 consecutive mornings.
6. Chest X-rays, blood tests, or specialized laboratory tests for pediatric applicants will be performed as mandated by destination country requirements or medical necessity (additional fees apply).
7. Some vaccinations must be administered 3 months in advance; please check with our staff for details.
8. All optional add-on services, specific requirement tests, and vaccine services must be booked concurrently on the day of package booking.
9. Applicants under 17 years old must be accompanied by a parent or legal guardian.
10. Applicants must complete and sign any relevant Informed Consent Forms required by The Hospital or the respective consulate/immigration authority prior to examination.
11. The Hospital will send a SMS message to notify relevant applicants when the TB Certificate is ready. Applicants can collect TB Certificates within 6 months from the day of receiving the SMS at our Medical Records Department, Service Hours: Monday – Friday (09:00 – 17:30), Sunday (09:00 – 13:30) by presenting the filled and signed Health Records Request Form. Please note that uncollected original certificates will be disposed of after 6 months.
12. Applicants acknowledge that all tests done for the Screening are not for the purpose of medical diagnosis or treatment and accept that the Hospital will not issue the TB Certificate in case any suspected TB symptoms are diagnosed/found. A doctor authorized by The Hospital will make the final decisions regarding examinations. For any suspected TB cases, the authorized doctor has no obligation to provide treatment, but may prescribe a TB treatment referral letter.
13. Applicants are advised to review the validity requirement of their health certificates prior to travel, as validity periods vary by country and test type.
14. Applicants acknowledge and accept that personal data and health records collected during the assessment may be shared with relevant consulate/immigration authorities, health departments, or institutions of the destination country, and shall be retained under our medical record system according to the policies of The Hospital.
15. Doctor consultations and follow-up services included in this package are limited to the specific items outlined in the package. Any services that fall outside the scope of the package, or any additional services arising from consultations that extend beyond the standard consultation duration, will be subject to additional consultation fees and/or related medical charges as applicable. In the event of any dispute, the Hospital reserves the right of final decision.
16. Hong Kong Adventist Hospital - Stubbs Road reserves the right to update the fee schedule, brochure, terms and conditions. Any change of fee schedule will be announced and notices will be published in advance, in accordance with the statutory notice period. Any other changes except the fee schedule may be made at any time as it sees fit without prior notice, you are advised to check the latest information on our website before using our services.

1. 香港港安醫院—司徒拔道（本院）提供海外留學及工作簽證體檢套裝，並根據相關國家入境事務處、領事館或學術機構之健康指引提供體檢及結核病篩查服務。
