Please note: If you would like to download your "electronic testing record", please refer to Q2 of the FAQs for more details.
備註：如須下載「電子檢測記錄」，請參閱常見問題Q2。

Important to Note Before Arriving at the Hospital
1. Doctor's referral is not necessary for the above PCR tests.
2. Our Clinical Laboratory and Pathology (The Laboratory) is a designated COVID-19 test institution recognised by the HKSAR Government.
3. In accordance with the Centre for Health Protection (CHP) reporting guidelines, our doctor will notify the CHP about suspected cases and arrange the patients to be transferred to a public hospital.
4. If your purpose of taking the COVID-19 test is for travelling, please consult the relevant organisations for the entry restrictions and validity period of the test result.
5. In case of disputes, the decision of the Hospital shall be final.

到院前的重要注意事項：
1. 以上核酸測試無須醫生轉介。
2. 本院病理化驗中心獲香港特別行政區政府（政府）列為認可進行2019冠狀病毒病的醫療檢測指定機構。
3. 接受檢測人士如符合衞生防護中心2019冠狀病毒病的呈報準則，醫生將通知衞生防護中心，並按中心指引將該人士轉送到公立醫院。
4. 如因外遊需要檢測結果，請先行向相關機構查詢入境要求及檢測結果的有效時限。
5. 如有任何爭議，本院將有最終決定權。

Frequently Asked Questions
常見問題

Regarding the "COVID-19 Electronic Testing Record System"

Q1 What is the electronic testing record system?
A + This system facilitates free download by the general public of their own electronic testing records for the COVID-19 testing conducted within 31 days. For details, please visit the official website http://www.evt.gov.hk/

Q2 How can I get my own testing record?
A + Please submit a completed "COVID-19 Electronic Testing Record System Registration Form" to our Clinical Laboratory and Pathology.
+ One hour after you receive the test report by email from us, please go to the government's "COVID-19 Electronic Testing Record System" website (www.evt.gov.hk) to download the QR code. You may also log in to the "COVID-19 Thematic Webpage" (www.coronavirus.gov.hk) by providing the following information:
  - Your identity document type and number
  - Specimen number (Can be found in the attachment we sent you via email)
  - Click "Save" to download the COVID-19 Electronic Testing Record

Regarding the COVID-19 Testing

Q3 Which test is suitable for travelling to Guangdong and Beijing from Hong Kong?
A + Specimen for COVID-19 Nucleic Acid Test is standardized into 2 types:
  - Nasophargngeal swab (NPS) **or**
  - Combined Nasal and Throat Swab (CNTS)

有關「2019冠狀病毒病電子檢測系統記錄」

Q1 甚麼是電子檢測記錄？
A + 市民可以通過系統免費下載個人在31天內曾經進行2019冠狀病毒病檢測所得結果的電子紀錄。詳情可瀏覽網站 www.evt.gov.hk

Q2 如何取得電子檢測記錄？
A + 請將填妥的"2019冠狀病毒病電子檢測記錄系統記錄同意書"提交到本院病理化驗中心。
+ 於收到本院電郵通知陰性檢測結果後一小時，進入由政府設立的網站「2019冠狀病毒病電子檢測記錄系統」(www.evt.gov.hk) 下載二維碼，亦可透過「2019冠狀病毒病專題網站」(www.coronavirus.gov.hk) 登入該系統；然後輸入以下內容：
  - 證件類別及號碼
  - 樣本號碼 (可見於醫院電郵內附件)
  - 按「保存」以下載2019冠狀病毒病電子記錄

有關2019冠狀病毒病測試

Q3 哪種測試適合香港入境廣東及北京人士？
