## Terms and Conditions

### 條款和細則

1. Hong Kong Adventist Hospital – Stubbs Road (The Hospital) is an approved Tuberculosis (TB) test clinic by the United Kingdom's Secretary of State for the Home Department through the Home Office. For Hong Kong residents looking to stay in the UK for more than 6 months, a panel physician will screen applicants according to technical instructions provided by Public Health England ("the Screening").
2. Service Hours for TB Screening: Sunday–Thursday (09:00 - 20:30), and Friday (09:00 - 16:30).
3. Please bring the following with you while registering at our Hospital:
  - Valid identification documents, such as a passport or Hong Kong Identity Card
  - 1 passport sized photo taken within the past 3 months
  - For applicants under 17 years old, the applicant should bring their own birth certificate, along with the identification document(s) of their parent(s) or legal guardian
  - Chest X-ray and report (if applicable)The above requirements are subject to the latest changes and announcements by the Hospital.
4. The listed price fees for the Screening includes:
  - 1 Doctor's consultation
  - Chest X-ray (if applicable)
  - Sputum test (pregnant women only)
  - TB Certificate (if appropriate)Please note additional charges will apply for:
  - Any additional testing and/or treatment
  - Reissuance of the certificate due to incorrect or amendment of information (Fee: HK\$450)
5. Sputum test: Collection of sputum (saliva & phlegm) coughed up over 3 consecutive mornings.
6. A chest X-ray or sputum test is required (with additional charges) only for children who exhibit TB symptoms or have a history of TB.
7. Applicants under 17 years old must be accompanied by a parent or legal guardian.
8. To proceed with the booking, applicants must agree to and complete the Informed Consent Form specified by the Home Office documenting your agreement to proceed with the Screening.
9. The Hospital will send a SMS message to notify relevant applicants when the TB Certificate is ready. Applicants can collect TB Certificates within 6 months from the day of receiving the SMS at our Medical Records Department, Service Hours: Monday – Friday (09:00 – 17:30), Sunday (09:00 – 13:30) by presenting the filled and signed Health Records Request Form. Please note that uncollected original certificates will be disposed of after 6 months.
10. Applicants acknowledge that all tests done for the Screening are not for the purpose of medical diagnosis or treatment and accept that the Hospital will not issue the TB Certificate in case any suspected TB symptoms are diagnosed/found. A doctor authorized by The Hospital will make the final decisions regarding examinations. For any suspected TB cases, the authorized doctor has no obligation to provide treatment, but may prescribe a TB treatment referral letter.
11. Applicants are recommended to review the validity of their TB Certificate before departure. The validity period is 6 months from the date of the chest X-ray examination (if applicable).
12. Applicants acknowledge and accept that any relevant personal information collected during the assessment process, including health records and chest X-rays, may be shared with UK immigration authorities, the UK Department of Health, Public Health England, and the UK National Health Service, and shall be retained under our medical record system according to the policies of The Hospital.
13. In case of any disputes, the decision of The Hospital shall be final.

1. 香港安醫院-司徒拔道 (本院) 為英國內政部認可之檢驗診所，為須前往英國超過 6 個月之香港居民提供英國入境前肺結核檢查服務 (有關檢查)。本院醫生會根據英國公共衛生局所提供的技術指引，為申請人士進行有關檢查。
